Message to SSS graduate

Hello, SSS 2020 graduates! I am so proud of each of you. As you leave this phase of your life turning to the next chapter, I encourage you to take resolution and motivation from quotes of two great people; Maya Angelou and former First Lady, Michelle Obama. Those quotes are:

“You are the living breathing proof that the American Dream endures in our life time. It is you, so go out there and be great. Build great lives for yourselves. Enjoy the liberties that you have in this great country. Pursue your own vision of happiness. Please, always do your part to help others. Keep working hard and keep the faith.” -- Michelle Obama

“If you get, give, if you learn, teach!” · “Be a rainbow in someone else’s cloud.” · “Don't let your mission in life be just to survive, but to thrive, and do it with passion, some compassion, some humor, and some style.” -- Maya Angelou

Congratulations! You did it! I love you all!

Be safe,
