UCAP is seeking qualified instructors interested in improving educational opportunities for Connecticut high school students. UCAP is a college preparation program that provides high school students from Windham and Hartford with the opportunity to participate in a five-week intensive academic program. Students take courses, participate in extracurricular activities, and develop skills to help them succeed in high school and beyond.

Instructors must have experience working with adolescents in a multi-cultural educational setting and teaching experience in the assigned subject area. (Preference will be given to instructors who are certified in their subject area.)

This year’s program will be a hybrid model of virtual and in-person classes and activities. Additional information will be provided during the interview.

Selected candidates will be invited to an interview during the months of March and April. A criminal background check and a Minor Protection Training are required.

Program Dates: June 20th - July 23rd, 2021
Salaries range from $1,800-$3,100 depending on the class and time commitment.

Some of the teaching responsibilities include:

- Teach two-three class sessions either in the mornings or in the afternoons.
- Prepare and present materials for assigned subject area.
- Be responsible for all class preparation, requirements, grading and homework assignments.
- Keep attendance, monitor class behavior, complete students conduct reports as needed.
- Work closely with an assigned class tutor.
- Provide mid-program and final student evaluations.
- Attend pre-program orientation and bi-weekly staff meetings, and other program events.
- Additional responsibilities vary according to the class and time commitment.

Please send a letter of interest and resume to: Susana.Ulloa@UConn.edu by the priority deadline, March 16, 2021.

The University of Connecticut has a strong commitment to the principle of diversity and, in that spirit, seeks a broad spectrum of candidates including minorities, women and people with disabilities.
